

Celebration of Love

... a function of the World Love Project™

presents

On the Edge of Evolution

Antonia Albano & Barney Brown

Come join us to learn practical steps toward a new vision of an emerging consciousness. From spiritual experience to spiritual awakening we will look at tools for finding your way even when 'the way' seems obscured.

We will look at ways in which we can make a difference in the world around us, a difference in the beliefs that are self-limiting.

This shift in experience is an 'inside job'.
